

The **Toronto Coalition for Active Transportation**, a project of the **Clean Air Partnership**, invites you to its 4th annual active transportation conference, the **Complete Streets Forum**, on April 28, 2011 at the University of Toronto's Hart House. This year's theme: **Building Alliances**.

**Learn from leading experts** about innovative and creative solutions for designing and implementing safe, inviting streets for everyone including cyclists, pedestrians, public transit users and motorists.

**Keynote speakers include:**

- Mia Birk, Alta Planning + Design (Portland, Oregon)
- Michel Labrecque, Société de Transport de Montréal (Montréal, Quebec)
- Roelof Wittink, I-CE (Utrecht, The Netherlands)

**Thursday April 28, 2011**  
Hart House, University of Toronto

**Friday April 29, 2011**  
exclusive post-conference workshops

**Register today!**
